

THE CLIVE ELLIOTT MEMORIAL 12 CAR RALLY FINAL REGULATIONS

Thank you very much for your entry, your start number is shown on the entry list at the end of these Final regulations.

You should report to the start venue at Chollerford Roundabout from 7:00pm for signing on and documentation, please ensure you have your competition licence, club membership card and any outstanding fees. On arrival at the start, please report for signing on **immediately**, we need to have a quick and efficient signing on so we can deal with all the administration

Please note, fuel is not available at the start venue, the nearest fuel is at Hexham. The route is some 55 miles and there is no fuel within the vicinity of the finish venue so ensure you have sufficient for the rally route and your onward journey home.

If you are using your own insurance, please bring your cover note, if using the REIS scheme, please ensure that we have your correct vehicle details and that you have submitted the correct payment..NB. REIS have changed their underwriter and the cost of cover has increased, if using REIS the cost for cover will be £25, this must be paid before or on the night.

Route information will be issued to Novice and Expert crews 30 minutes before your due start time, Masters will receive their route information at their due start time. Route checks will take the form of Signposts, road traffic signs, other signs on route, Post Boxes or will be manned.

NB. If you are a beginner and require marked maps, please forward these (MAPS 80, 81 & 87) to Ed Graham 5, West View, Prudhoe NE42 6JQ Edgraham01@btinternet.com) well in advance of the event date as there will not be time to mark maps on the night.

The route is on asphalt roads and there are no rough whites, Competitors should, however, drive with care and respect the road conditions. Recent weather conditions have been tricky !!.

DRIVING STANDARDS

By far the biggest number of complaints we receive concern driving standards. Please ensure that you drive with courtesy for other road users and please respect the QUIET sections that are outlined in the route instructions, they are there for a reason and should be taken at face value. Driving standards Observers will be at various points in the route and any driver reported for unreasonable behaviour will be excluded.

At the rally finish, please park quietly and proceed to the pub where supper will be available. There is car park at the rear of the Gun, please do not obstruct any local residents..
