

HEXHAM & DISTRICT MOTOR CLUB

THE NOVEMBER HANDICAP 12 CAR RALLY

FINAL REGULATIONS

Thank you very much for your entry, your starting number is shown on the entry list at the end of these Final regulations.

You should report to the start venue at Henshaw Garage from 7:00pm for signing on and documentation, please ensure you have your competition licence, club membership card and any outstanding fees.

Please patronise the start venue and purchase some fuel, **NB**. The route is some 55 miles and there is no fuel within the vicinity of the finish venue so ensure you have sufficient for the rally route and your onward journey home.

If you are using your own insurance, please bring your cover note, if using the REIS scheme, please ensure that we have your correct vehicle details and that you have submitted the correct payment..

Route information will be issued to Novice and Expert crews 30 minutes before your due start time, Masters will receive their route information at their due start time. Route checks will take the form of Signposts, road traffic signs, other signs on route, Post Boxes or will be manned.

NB. If you are a beginner and require a marked map, please forward this (MAP 86) to Ed Graham 5, West View, Prudhoe NE42 6JQ Edgraham01@btinternet.com) well in advance of the event date as there will not be time to mark maps on the night.

The route is on asphalt roads and there are no rough whites, Competitors should, however, drive with care and respect the road conditions. Recent weather conditions have led to a lot of standing water.

DRIVING STANDARDS

By far the biggest number of complaints we receive concern driving standards. Please ensure that you drive with courtesy for other road users and please respect the QUIET sections that are outlined in the route instructions, they are there for a reason and should be taken at face value. Driving standards Observers will be at various points in the route and any driver reported for unreasonable behaviour will be excluded.

At the rally finish, please park quietly and proceed to the pub where supper will be available. There is an overflow car park adjacent to the Wallace Arms which should be used, do not obstruct the road outside the pub.
